

FPDN Workplace Giving

What is Workplace Giving?

Workplace Giving is a simple and tax effective donation to support the work of First Peoples Disability Network (Australia) (FPDN). Workplace giving donations are made from pre-tax payments, so your gross payments will be reduced by the amount of the donation and tax calculated on the remainder of your payment, resulting in less tax paid. This means you are receiving the tax benefit each pay period rather than at the end of the financial year.

If you would like to donate to FPDN through workplace giving, please complete the authorisation form below.
